

July, 2017

Dear Resorters Contestant,

We look forward to hosting you at the 96<sup>th</sup> annual Resorters Tournament later this month. As communicated previously, we've made numerous changes to this year's event to improve the experience of both participants and spectators. This year's tournament is shaping up to be one of the best in history. Please see the [Resorters webpage](#) and review the [Rules of Play / Information](#) along with the [2017 Pace of Play Policy](#) which will be strictly enforced during this year's event. We are sending this communication to update you on important information regarding golf carts, caddies and food specials during the Resorters.

### GOLF CARTS

The request for golf carts during Resorters week has been increasing the past few years. As a result, Alexandria Golf Club must bring in outside carts to meet the demand. In an effort to anticipate the number of carts we need to lease from the outside, we would like you to pre-register for a golf cart if you would like to use one during your participation in this year's tournament. Cost will be \$25 per rider for each round.

*IMPORTANT:* To register for a cart during your Resorters play, please send confirmation you want a golf cart via email to [jcrouse@pga.com](mailto:jcrouse@pga.com) or call the AGC Pro Shop at 320-763-3605 by July 20<sup>th</sup>.

### CADDIES

We also plan to provide participants the opportunity to have caddies if there is enough interest. Caddy fees will be \$40 per round plus tip.

*IMPORTANT:* If you are interested in having a caddy during your Resorters play please send confirmation to [jcrouse@pga.com](mailto:jcrouse@pga.com) or call the AGC Pro Shop at 320-763-3605 by July 20<sup>th</sup>.

### FOOD SPECIALS
