

Dear Resorters Friends,

We are excited to provide some important information regarding the 104<sup>th</sup> annual Resorters Tournament scheduled for Sunday, August 3<sup>rd</sup> – Saturday, August 9<sup>th</sup>:

- **On-line registration will open tomorrow, Tuesday, April 15<sup>th</sup>, 2025, at 10am Central Time** and will close Sunday, April 20<sup>th</sup> at 6pm Central Time. The tournament fills quickly so please complete your entry in a timely fashion.
- As we did last year, we will require entrants to complete a short player bio with critical information that will be used by the Resorters committee and the media. Failure to complete the bio may result in your entry not being accepted. The Resorters Player Bio form is available online and can be completed prior to your registration by [clicking here](#).
- All championship semi-finalists from each division in last year's Resorters and all championship finalists of a division played at Geneva will receive an exemption into this year's event. A list of exemptions for this year's Resorters is posted on the [website](#). **IMPORTANT:** Exempt players must complete their online registration by the close of registration – Sunday, April 20<sup>th</sup> at 6pm Central time. Failure to complete the online registration will result in forfeiture of the special exemption.
- Although we have made a number of adjustments to the schedule to improve the pace of play this year, the divisions, number of participants by division, and the division qualifying schedules remain virtually the same. The 2025 Resorters preliminary schedule is now available on our website at [alexandriagolfclub.com/the-resorters](http://alexandriagolfclub.com/the-resorters). Based on final registration totals, any changes the committee makes to the current schedule will be communicated promptly.
- Qualifying rounds for all divisions will be played at AGC once again this year. The Men's Championship Division will play their first round of qualifying at Geneva Golf Club on Sunday, August 3<sup>rd</sup> just as we did last year, with the 2<sup>nd</sup> round of Men's Championship qualifying being played on Tuesday, August 5<sup>th</sup> at AGC.
- Similar to last year, and based on qualifying scores, a number of divisions will play early rounds of match play at Geneva Golf Club. Like last year, we have adjusted our AGC schedule to move Geneva championship semi-final matches to AGC on Friday, August 8<sup>th</sup>. All championship and consolation finals on Saturday will be played at AGC.
- Including range balls in our entry fee received very positive feedback last year. This year's entry fee will include a small bucket of range balls each day of the tournament. Entry fees for the 104<sup>th</sup> annual Resorters have not changed and will be as follows: \$385 for Men's and Women's Divisions, \$175 for Junior 10-12 and \$225

for Junior 13-15. As in past year's we will present each participant with a memorable tee gift to commemorate our 104<sup>th</sup> annual Resorters.

- We have a terrific line-up of exciting events planned again for this year's tournament to add to the fun and enjoyment of Resorters week. We've arranged for some special entertainment and evening food specials during the week to go along with our popular Calcutta, Long-Drive Contest and Putting Tournament.
- New for 2025 will be **The Resorters Par 3 Contest sponsored by Grass League**. The Par 3 Contest will be played on the fabulous Little Darling Par 3 Course at Alexandria Golf Club Sunday, August 3<sup>rd</sup> and Monday, August 4<sup>th</sup>. This exciting inaugural event during Resorters week is destined to add yet another unique feature to one of the most coveted entries in amateur golf. We promise to make the event fun for both contestants and spectators alike and look forward to having you all participate! Additional details attached.
- We want to thank our long-time primary sponsors who make it possible for us to execute one of the premier amateur match play events in the country. Their support is essential to creating the special environment during Resorters week!
